

**STP-Private Infrastructure Clinical Supervision (PICS)
Planned Infrastructure Expenditure Form
1 February 2021 – 31 January 2022**

This form requires you to provide details on how you **intend** to spend the PICS allowance on Private Infrastructure items to support the trainee and enhance the training experience for the 2021 academic year. The infrastructure allowance is attached to the training site, not the trainee or the supervisor, and is linked to the specific STP training position.

The aim of the PICS allowance is to support delivery of the Specialist Training Program (STP) in private health settings. Funding for PICS supervision and infrastructure is up to \$30,000 (GST exclusive) per annum based on 1.0 FTE.

STP Reference No:		Setting Name	
--------------------------	--	---------------------	--

NOTE:

Eligible Infrastructure expenses include:

- Training room outfitting, including purchasing specific training equipment such as microscopes for trainees and training simulation equipment
- Minor renovation of existing facilities to make space within the training setting suitable for use in the registrar training
- Videoconferencing facilities
- Investments in on-line educational training software
- Overhead infrastructure i.e. computers, phones, desk, IT equipment and associated facilities that will be used by trainees and their supervisors
- Complete the below table, listing infrastructure expenses that the health setting is intending to spend throughout 2020.
