

A/Prof Stephen AYRE (TAS)

Statement

Watch: [Nominee Video](#)

As a Fellow of the College for 25+ years I have supported the College in a number of roles -preceptor, supervisor, censor, Chair of the Accreditation Committee, Chair of the ETC, JCT in Queensland and Committee member of the Tasmanian Jurisdictional Committee. I have previously been a Board Director for Karuna Hospice and currently am a Board Director for Inscape Tasmania an organisation dedicated to bringing the healing power of art into Tasmanian Hospitals. I work part time as the Chief Executive of the Prevocational Medical Education Council of Tasmania. I am committed to providing quality education opportunities to our junior doctors' post-graduation preparing them for vocational training and a lifetime of professional practice. I am particularly interested in preparing our candidates for specialty practice and providing the support needed during that time and in their early fellowship years to develop highly sort after specialist medical managers and leaders.
