The successful applicant will have demonstrated leadership and people management skills coupled with an ability to facilitate relationship building with key stakeholders.

The redeveloped hospital is a 212 bed “state-of-the-art” facility and the Hunter region’s major centre for oncology services, haematology and clinical toxicology. This is supported by an intensive care unit, coronary care unit, emergency unit, day surgery, general and oncological surgery, general medicine and palliative care. It is also a specialist centre for the diagnosis and treatment of blood diseases, breast cancer and melanoma. Within its campus Calvary Mater Newcastle houses the Hunter Melanoma Unit, Hunter BreastScreen and one of New South Wales Stroke Units. The new Mental Health facility, comprising 100 beds, has just recently been commissioned and operates in a co-locaton model with the Hunter New England Health.

This is an outstanding career opportunity. If you are a clinical leader looking for a new challenge in a progressive environment then we would be interested in talking to you.

Applications close Friday 29th October 2010
